## **9. VILLAGE ISSUES**

### **Playing Field**

Ongoing.

### **Broadband**

Ongoing.

### **Defibrillator**

Defibrillator training has been arranged for July 14<sup>th</sup> in the Parish Rooms from 7.00pm.

### **Concrete base**

There have been complaints about an allegedly unsightly concrete base in the recreation ground, where a piece of play equipment was formerly sited. It was agreed that the Parish Council would consult with the village as to whether the base could be made into a feature – perhaps with seating or a barbeque.

### **Bench outside Lower farm**

The bench as ordered is proving difficult to install as there is a concrete base which would need to be removed. After discussion during and after the meeting, it was agreed that the bench would be relocated to the recreation Ground, and the Parish Council would look for a suitable bench for the location in the village.

### **20mph signage**

The Clerk was asked to check with OCC that the location of the 20mph sign before the Peyton Arms is correctly located.

## **10. CORRESPONDENCE**
